

ATHULYA T S

B.TECH IT FINAL YEAR STUDENT

+91 82206 61444 | athulya1906@gmail.com | 727721euit018@skcet.ac.in | www.linkedin.com/in/athulya-ts

As an IT enthusiast, I thrive on tackling complex problems head-on. My passion lies in full-stack web development and software development. Passionate team player and programmer with drive to learn and master new technologies.

Internships

Accenture | Package App Development Associate

May 20 – July 15 2024

KEY SKILLS : AWS, BluePrism, Power BI, Aveva PI

- Researched and analyzed AVEVA PI, Agile methodologies, and various software development processes to gain a deep understanding of industry standards and best practices.
- Actively participated in professional development opportunities, including conferences and courses.
- Completed a month - long training on the basics of Generative AI, Machine Learning (ML), Deep Learning (DL), Automation, SAP, and low - code / no - code platforms, enhancing technical skills relevant to the evolving tech landscape.

Projects

1. 3 PIXELS

A Web Dashboard for clinicians to view the details, assess the performance of autistic patients in a gamified VR app and assign tasks accordingly. The clinician can upload the EEG Report of the patient for timely checkups and performance monitoring.

Tech Stack : React js, HTML, CSS | Firebase realtime database

2. EZRecharge

A portal for mobile recharge. Separate interface for users and admin. Users can view and recharge appropriate plans, view their profile and recharge history. Admin can view recharge history of all users, create, update, read, delete plans and addons.

Tech Stack : React Vite, HTML, CSS | Postgresql, JWT, java, spring boot

3. HR Management Portal

A portal where employees can login and view assigned projects, courses, salary, events, bonus, view and update their profile, view different teams that they can join. Admin can manage the data and view the database records and add data. Separate interface for admin and user.

Tech stack : React js, MUI, HTML, CSS | mysql, spring boot, JWT, java

Education

• Sri Krishna College of Engineering and Technology, Coimbatore

2021 - 2025

B.Tech Information Technology | CGPA : 8.31 / 10

• CMS Matriculation Higher Secondary School, Ganapathy, Coimbatore

12th | Computer Science | TNBHSE | Percentage : 96.1 / 100

2021

10th | TNBSE | Percentage : 94.8 / 100

2019

Tools and Technologies

Java | HTML | CSS | React js | React Vite | mysql | AWS | Rest API | Spring Boot | Git | Github | Python | Firebase | postgresql | Agile

Achievements

Deployed a website in Netlify through Github | Solved **400+** problems in **Leetcode** | Participated in AI HACKGEN in SNS Institutions | Participated in Doublet 2.0 in SKCET | Participated in 24hr online hackathon – Codeher
